ASGO's Autism Space Walk & Family Fun Night Fundraising Opportunity for Great Prizes Solar System Challenge

ASGO challenges each of you to help raise funds that stay right here in our local community. In exchange, we will reward your fundraising efforts with great prizes.

Getting involved is simple - please follow these quick steps:

1. Print out the attached Solar System
2. Name your Solar System (you can use your child's name or come up with a super cool name)
3. Ask your family members, friends, co-workers, etc to purchase one of the planets for \$25.00 each. The donor can name the planet and color it in (or ask your child to do it) thereby personalizing each planet to represent the donor.
4. Once you have completed a solar system, you will have raised \$200 for ASGO. You can then start another solar system. The more solar systems that you sell, the more prizes you will receive.
5. Please bring all completed solar systems and the money to the Autism Space Walk on Saturday, March 18th. Turn them in for great prizes. The prizes will continue to grow – so if you bring in one solar system, you will get one prize in Level 1 category. If you bring in two solar systems, you will get one prize from Level 1 and one prize from Level 2 and so on. You could walk away with a large amount of prizes.

Prize Examples Include: Free ASGO Membership for a Year, Gift Card for Autism Awareness Merchandise, Tickets to ASGO Events, etc.

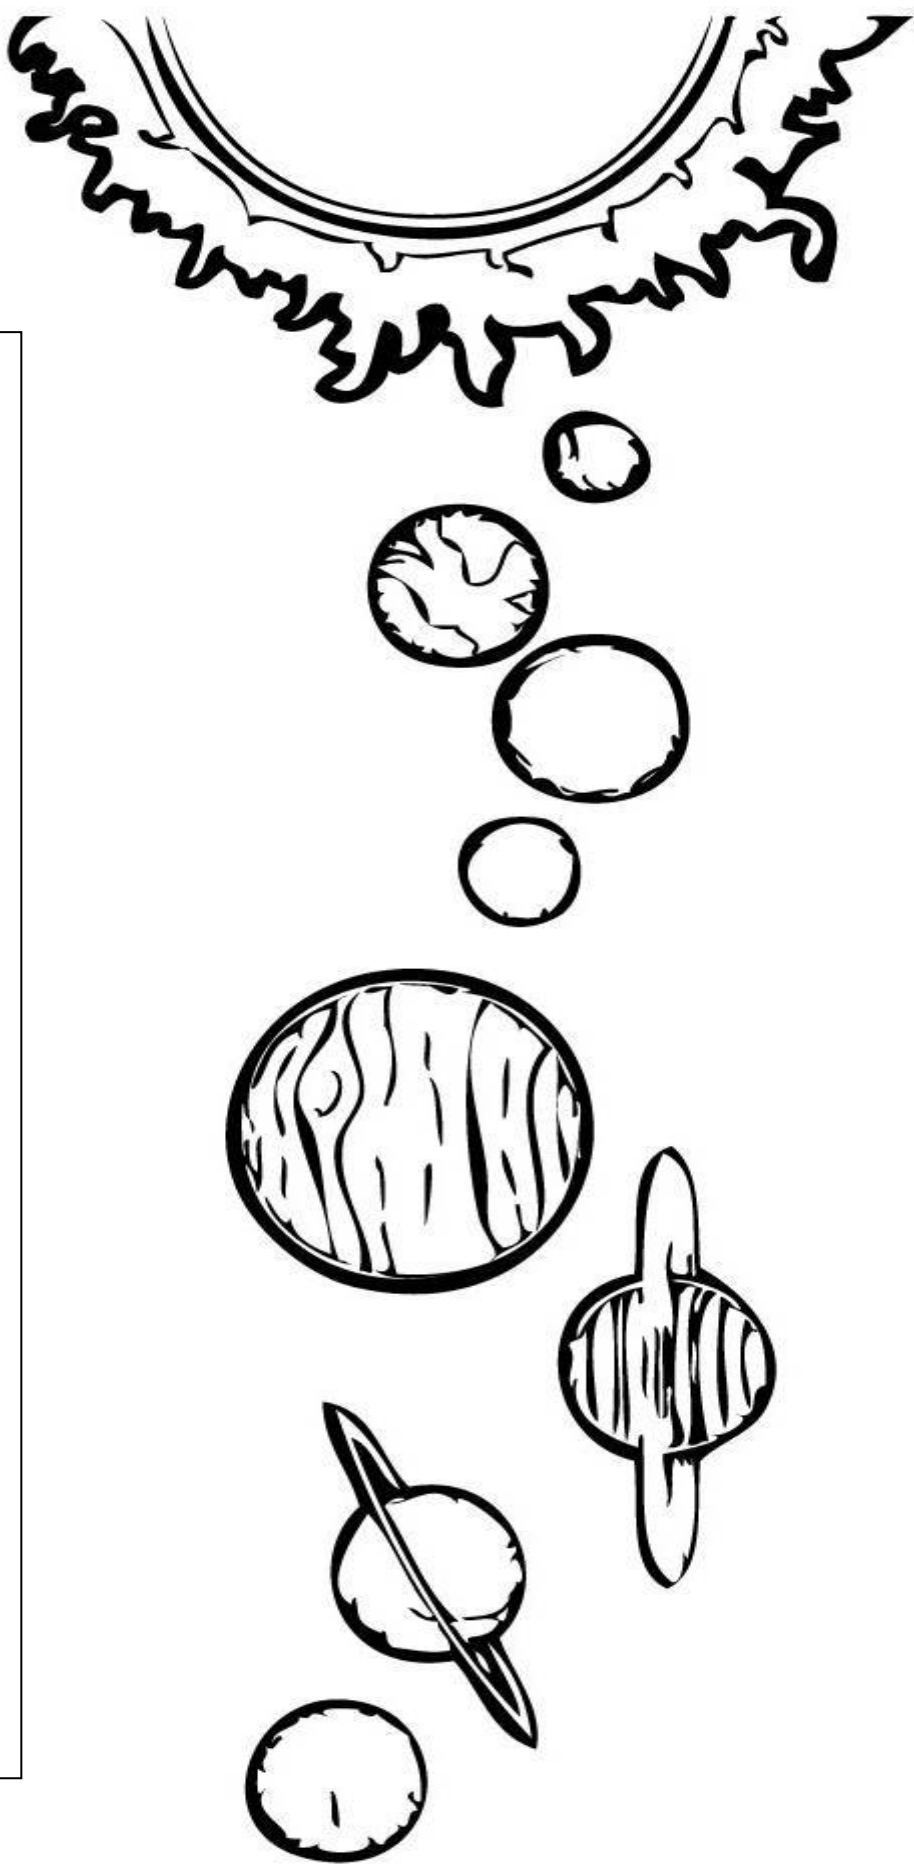

In addition to the prizes for the solar systems, we will also be awarding prizes in the following categories:

1. Family – most money raised
2. Family – most participants
3. Schools – most money raised
4. Schools – most participants
5. Business – most money raised
6. Business – most participants

Please help ASGO meet its fundraising goal of \$100,000. We can only do this with your help and support. Thank you for your participation and your support!
